Subject: Declaration of Conformity – EU REACH

Dear Valued Customer:

UC Components states to the best of its knowledge; that the supplied products comply with Regulation (EC) No 1907/2006 of the European Parliament and the Council of December 18, 2006, concerning the Registration, Evaluation, Authorization, and Restriction of Chemicals (REACH). Substances in UC Components products are not anticipated to be released under normal or reasonably foreseeable conditions of use. In addition, to the best of its knowledge, products supplied to UC Components do not contain the substances listed in the following sections of this directive:

- To the best of its knowledge, UC Components states that the products do not contain any of the Substances of Very High Concern (SVHC) as defined in Article 57 and ANNEX XIV with amendments dated June 10, 2022.
- UC Components products may contain lead and nickel, restricted substances identified in Article 67 and Annex XVII (with amendments) as of December 14, 2021. Products containing lead and nickel are restricted from specific uses identified in Entries 27 and 63 of Annex XVII. To the best of its knowledge, UC Components states that no other substances identified in Article 67 and Annex XVII (with amendments) dated December 14, 2021, are present in the supplied products.

We shall monitor all changes to this Directive and Annexes XIV and XVII and ensure that our products continue to comply with all future requirements and amendments.

Respectfully,

Jeff Renggli, Vice President
